Greetings and Well Met to the Great Popular of Fenix,

As the chill of winter leaves these lands and the sun returns with the chirping of the birds, Our Majestic Kingdom finds itself in a unique position of transition. During the first week of April our noble cousins to the north will pass their cornets along to their successors and shortly there after will the cornation of their most noble magesties Arch Teryx I and Runa Kirri I. We thought this would be a great opportunity to showcase the artisians of this great barony. And we call upon these artistians to pelase donate any items to be used in gift baskets for these two occassions.

In Service,

Baroness Hypathia of Inish Mor

Time is upon us, this weekend one reign ends and another begins. This Tuesday and Wednesday I will be at baronial functions and would pleased to add your showmanship of the Arts and Sciences to the baronial gift basket that will be presented to the new majesties this Saturday by Baron Aengus and any other baronial members traveling to Coronation. Please feel free to contact me if you cannot make fight practice or the business meeting if needed.

In your service,
Your Baroness!

Greetings to all.

If anyone has anything they wish to contribute to the Gift Basket their Excellencies are presenting to their Majesties this weekend, please get with them asap to make arrangements. They will accept donations even up to Saturday morning's Court as long as you let them know you have something. So it's not to late to give if you can.

Safe journey to all attending Coronation this weekend.
