

## May 2006 Pale Letter – Dragon Herald

Unto Their Majesties' Subjects, Greetings!

On behalf of the Middle Kingdom College of Heraldry, I would like to thank Barun Rory mac Feidhlimidh for his excellent service to the Midrealm as Dragon Principal Herald. Two and a half years as a Great Officer can seem like an eternity. Now he can sit back, relax, and we will find something else to keep him out of trouble.

I am looking forward to another opportunity to serve the Middle Kingdom in this office. As with my predecessors, I will be looking to promote heraldry in all its aspects, and welcome ideas, comments and suggestions for improvements.

Heraldic Job Openings:

**Middle Kingdom Minister of Protocol** - The Minister of Protocol is a Lesser Officer of State and a deputy of the Dragon Principal Herald. The Minister is responsible for education relating to protocol, order of precedence issues and ceremonial function of the Middle Kingdom at the discretion of the Dragon Herald and the Crown. **Lincoln Signet** - The Lincoln Signet is to be a deputy of the Dragon Signet and shall be responsible for the Midlands regional coordination of scribe's efforts to provide scrolls for the Crown. Letters of application should be sent to the Dragon Herald and the Dragon Signet. The deadline for applications is June 15

The *Middle Kingdom Protocol Handbook* has been approved and is now available from the Midrealm Heraldry page.

With Spring Crown Tournament at the end of the month, anyone interested in crying (or learning to cry) the tournament should see Master Vorlin, Meadows Herald.

In Service to the Crown,

Thorvald Draco
