

Greetings!

Quarterly reports were due June 30. If you have not already done so, please send your report to your Regional Herald so they may get their reports to me. Only incipient groups need to copy me on their reports.

We are striving to keep the Heraldry web page up-to-date, informative, and ready to serve pursuivants and non-heralds alike. Stop by and check it out.

Pennsic is coming quicker than we think. Herald's Point is a great place to work with senior heralds from across the Known World, or get consultation from the same. The Middle Kingdom will be accepting submissions at Herald's Point this year. However, be warned that it is slightly more expensive and may actually take a couple of months longer than sending your submissions directly to the Escutcheon Herald (submissions).

Again, Their Majesties would like to encourage all gentles of the realm to display their heraldry at events. Please bring your banners, standards, and gonfalons and let them fly proudly. After all, you had to endure the submission process to get them registered, so now is the time to show them off.
