

Greetings!

The College of Arms is looking to standardize the forms the Society uses in the submission process. In the near future, we will be required to use these new forms. Once this occurs, I will announce it here, and on the Midrealm Heraldry web page. The new forms will be available on the web page as well. Any submissions made on the older forms after the cut off date will have to be returned.

With the second quarter reports behind us, I have removed a number of people from the warrant roster. If I, or the regional heralds, did not receive a report from a local pursuivant for two consecutive quarters, they were removed from the roster.

This month will see the coronation of Prince Bardolph and Princess Brigh, seventy-fourth in the royal lineage of the Midrealm. If anyone has business for the final court of King Felix and Queen Madeleina, please feel free to contact me ahead of time. That would be easier than tracking me down in the hectic moments that proceed morning court.

In Service I Remain,

Thorvald
