

Greetings,

Domesday has come and gone. If I did not receive your Domesday report, I did not renew your heraldic warrants. An updated roster should be posted on the Dragons Herald's page at Midrealm.org by February 1st.

THL Geoffrey of Wroxeter has advised me that it is now time for him to step down as the Constellation Herald, and is currently seeking a successor. The Constellation Herald is the regional herald for Indiana and is responsible for the administration of the local pursuivants and the pursuivants at large in the region. As a regional herald, this office is expected to be a resource for heraldry in the region and assist the College of Heraldry as a commenter on the internal letters of intent. If you are interested in applying for this office, please send me an application by March 31.

In Service I Remain,

Thorvald
