

Siege Marshal

Greetings from Lord Diccon de Reinport, Siege Marshal in Charge for Pennsic War 42.

There is a siege war point at Pennsic War this year and I ask the siege community for assistance in running it. It will once again be a “shoot at static targets”. At minimum I need four scoring marshals and one spotting marshal to run the competition. I would prefer to have twice that number so that people don't have to stand in the sun for the entire shoot. It will occur on Monday, July 29, starting at 2:00 pm. If you can help with this competition, please contact me at: siege@midrealm.org.

In service,

Diccon
