

## **Page for a Day Program - Employer**

You will sign up for the period of time you need a Page. Do not request Page for all day unless you are prepared to provide your Page with lunch, liquids, and snacks.

Your Page will remain with you until you release him/her. Please do not keep them past your arranged time as they may have other Employers to work with or personal plans. Please have them escorted to Youth Pointe at the end of their service.

You will instruct your Page as to whom can receive the messages you have him/her deliver if the intended person is not available. If possible write the person's name for your Page.

Do not take your Page into an area where they may be exposed to inappropriate or abusive behavior (please keep them away from those that have ingested large quantities of alcohol)

The Page for a Day Program ends at 4PM. If you employ a Page after 4PM it will not be regulated by this program. Youth must have their Parent/guardian's permission to be employed as a Page after Youth Pointe closes. The Page can still receive credit for work after the closing of Youth Pointe.

Please report to the Page for a Day volunteer about the success or failure of your experience with your Page the same day or soon after.

Please let us know about any questions, suggestions, or concerns.

Please read the Page for a Day Program description before signing up as an Employer for this program.
