FROM THE KNIGHT'S MARSHAL

This past week we had a cancellation based on the Krannert being a polling site, and the ground being a swamp, (or so I was told). This was an unfortunate happenstance, hopefully it will not be repeated.

As you may have noticed, we have had light enough to have an outdoor practice but have not actually had one because of the weather. I am looking forward to fighting with grass as a surface. Melee season is upon us, and we seldom have melees on a concrete surface, so it is good to practice on the surface we will be fighting on.

In Service,
LORD ULFR IMASON

FROM THE RAPIER MARSHAL

Rapier is doing well! Hopefully the weather will allow us to move outside and onto the grass instead of just the parking lot.

LORD BJORN ARNALDSSON

FROM THE CHRONICLER

You may notice this is a short, short issue of the *Star*: the shortest one, I believe, that I have hitherto published. The reason for this is very simple: lack of content! It's a known truth that anyone can submit material to the *Star*, and the process is very simple, however, it is also a known truth that hardly anybody actually does this. I think I can safely say with confidence that if every active person in the Barony were to submit one article, blurb, game, or illustration every year, I would have enough content to have good thick *Stars* every single month. Unfortunately, in a given year I receive closer to three submissions, which leaves the onus

on me to create a lot of additional content. Not only is that somewhat impractical, it is also not very desirable: this publication is meant to reflect the Barony at large, not necessarily Lady Odile's interests or opinions. I challenge each of you (yes, really, **you**) to consider submitting one item to the *Star* before the year's end. Come and talk to me if you have ideas that you're not sure how to implement, or whether they are appropriate: but really, I have never turned down a submission idea yet. Yours will probably not be the first. What have you got to lose?

Yours in service,
LADY ODILE DE BRIENNE

**FROM THE WEBMINISTER**

Buon Giorno,

Simple Day site is now live and has info as of this writing (the same day I got my Pale in the mail that includes the web address for the site - close call!). Department heads, please contact me with permission to publish your contact info so I can put you on the website for your area of responsibility.

If you've got an update for the Simple Day site, please make sure to copy the Autocrat as well when you email me your updates. It keeps everyone on the same page, and keeps me out of trouble. I need all the help I can get to stay out of trouble.

I've been making an effort to attend events in other area and recently had the pleasure of attending Coronation (very neat - first one I'd seen) and Blackstone Raids. Both were a lot of fun. If you haven't had a chance recently to go to other events, I highly recommend it for a refreshing perspective and the opportunity to see how other Baronies/Kingdoms do things. Summer event season is almost upon us!

Until next month,  
**LORD ANTONIO BELLINI**
