

Greetings unto the people of the Middle Kingdom from Lady Finnseach de Locheil, your new Kingdom Web Minister:

For my first order of business, I would like to extend my thanks to my predecessor, Master Baron Rocco Barbarossa for his work and effort with the varied tasks of this office. It's not always easy being in charge of a multi-headed beast that is a website and web services. I hope that I am able to continue the good works he and Master Dafydd before him, have started.

So, who am I? Mundanely, I have been involved with web development, in various capacities, for well over 10 years. I have worked in University settings, for private companies and as a freelance developer/designer. I have worked in the Information Technology field, in one capacity or another since 1994. In the Society, I have been my local group's Web Minister since 2002 and Baronial Web Minister since 2008. Other offices include (local level): Chronicler, Seneschal, and Pursuivant. I have served as Regional Oaken Chronicler, Pursuivant-at-Large and Web Minister-at-Large.

In the coming months, look for some changes to the Kingdom website.

If anyone has any suggestions or comments about the Kingdom's website, please do not hesitate to contact me at webminister@midrealm.org. I will do my utmost to respond to your questions/concerns in a timely manner.

In service to the Dream, I remain,

Your servant,
Lady Finnseach de Locheil
Kingdom Web Minister
